Things to consider:
- Do you anticipate working for the State for 10 or more years?
  - SERS Tier IV and Hybrid requires 10 years to vest
- Do you have service that may be eligible for purchase under the SERS options, such as military time?
- Are you likely to change employment to another State agency?
  - If you become employed by a State agency that is not Higher Education, you will have to change to SERS Tier IV, if not already enrolled
- Do you prefer stability or flexibility?
  - Formula-based payout versus accumulation based on investment performance
  - Monthly payments versus full access to funds
Supplemental Retirement Plans

403(b) & 457
- Pre-Tax Contributions
- Post-Tax Contributions (Roth)
- Convenient payroll deductions
- No State match
