Introduction

*Learning@Work*, using the Saba Learning Management System, is a University-wide system developed in partnership with UConn Health. The system is used to launch, track and manage training and development opportunities for UConn employees through a cloud-based environment accessible anytime, anywhere.

Offering ease and convenience, the online system provides accurate and timely information regarding training requirements. *Learning@Work* is a one-stop-shop for enrolling in courses, tracking completion of learning experiences and fulfilling regulatory compliance requirements in a self-service environment.

*Learning@Work* is designed to deliver and track your UConn learning requirements.

- Register for web based and instructor led courses
- Launch and complete online courses assigned to you
- View transcript of completed learning
- Print certificates of completion

Navigation Overview

All users are assigned basic permissions to access their training plan, transcript and UConn courses available for registration. Instructors and Session Administrators have additional access to Instructor and Analytics (if applicable). In addition, managers have access to their team’s learning via the *My Team dashboard* (see the *Manager User Guide* for more information).

Log in Instructions

**Internal UConn Users:**

Log in with NetID and NetID Password at: [https://hr.uconn.edu/learningatwork](https://hr.uconn.edu/learningatwork)

Log out Instructions

1. Click on the down arrow next to your name in the top right corner.
2. Click *Sign out.*
Log in and Launch Teams Virtual Sessions

**Internal UConn Users:**

1. Launch the MS Teams app and log in with your NetID and NetID password
2. Log into Learning@work at hr.uconn.edu/learningatwork using your NetID and NetID password
3. Click the course under *My Learning*
4. Click the **Attend** button for the applicable session date/time
5. Follow the MS Teams prompts to connect to the meeting – do not log into Teams as a “guest” – sign into Teams using your @uconn.edu email address for attendance to record.

**Note:** By logging into Teams as the first step, you should seamlessly join the session. However, if you experience the below window, click **sign in** and log in with your UConn email address.

*(Steps Continue to Next Page)*
6. **Allow pop-ups** when prompted.

**Note:** The below example is from Chrome. If you are using a different browser, please check for popup blockers and disable for this site.
