DECLARATION, AUTHORIZATION AND RELEASE FOR BACKGROUND INFORMATION – APPLICANTS FOR EMPLOYMENT (section 1 of 3)

In connection with my application with the University of Connecticut (UConn) “Company”, I hereby authorize the following data researchers, **SJV Data Solutions** and their associates (“Data Processors”) to research, verify and obtain a report in relation to the information that I have provided in connection with my application for employment, the Company will engage a background screening provider, **Security Services of Connecticut, Inc.** (“Provider”). The information Provider, its agents and Data Processors may research and verify my personal background, professional standing, work history and qualifications. The Company and its Data Processors may also collect and verify background information about me.

I understand that the employment related screening searches, to the extent applicable law allows and in accordance with applicable laws, will be conducted and information I provide will be researched and verified using various appropriate sources, including but not limited to the following: current and past employers, criminal conviction records, motor vehicle or driving records, credit information, military records, school/educational records and professional and personal references.

I authorize, without reservation, any individual, corporation or other private or public entity to provide the Company and Provider and their Data Processors all relevant information about me. I agree to assist Provider and the Company and their Data Processors in verifying and collecting this information and to provide any additional information requested in connection with my application for employment with the Company.

Unless I submit my revocation to the Company this Declaration, Authorization and Release, in original, faxed or photocopied form, shall be valid for this and any future reports and updates that may be requested if I am employed by Company.

Privacy Practices

Many countries around the world have laws to protect ‘personal data’; that is, information about identified or identifiable individuals. In the course of researching and verifying information from the sources described above, Provider, Data Processors and the Company will process personal data, some of which may have a high degree of sensitivity. However, both Provider and its Data Processors, are familiar with and make every effort to comply with all applicable data privacy laws, including, in particular, the European Union’s General Data Protection Regulation (‘GDPR’).

Possible Categories of Data to be collected

The following types of Personal Data may be collected when conducting a background screening. Some of this data may be considered sensitive Personal Data. The type of information collected will depend on the specific type of search required by the Company.

- Identification information
- National Identification numbers
- Address information
- Right to work / work permit information
- Education history and qualifications
- Employment history
- Publicly sourced information (e.g. media information)
- Criminal history
- Appearance on global sanctions or terrorist watch lists

Data Retention

Your Personal Data will be kept by the provider and their Data Processors for as long as needed to conduct the background screening; or for legal, regulatory, or contractual requirements we may have to meet. This is to allow for audits and for the resolution of any disputes and complaints.

By signing below, I confirm that I have read and understand the above statements regarding the processing of my Personal Data and that I provide my consent.
