Saturday, October 30th

Build Hours are 8:30 - 1:30

Norwich Site

Saturday, November 6th

Build Hours are 8:30 - 2:30

Help build the story of home. Shop. Donate.

3 step process that every volunteer will need to do to get ready to volunteer

1. Sign Up (*at least 5 days in advance*):

- Go to www.habitat.org/volunteer
- Click the Volunteer UP Button at the top of the page
- Log In or Register (if you are new to this system) and make sure to select UCONN as a group (*this is important or you will not see the team availability*)
- Return to the calendar to select the day and project that your group is volunteering for: either Sat, October 30th in Willimantic, or Sat Nov 6th project 4 in Norwich
- This will take you to a screen with information and you can choose an e-mail reminder, and then click "sign up"
- You should see a page that says "sign up confirmation". If you do not see "sign up confirmation", fix the error indicated and click "sign up" again.

2. Watch Safety Video:

There is a short safety video that all new volunteers need to watch before volunteering on site. The video can be watched online at <https://www.habitat.org/volunteer/volunteer-training-resources/>

3. Waiver:

Each volunteer will need to agree to the digital e-waiver when logging into Volunteer UP. If the system didn't prompt you to do so, please email us and let us know.
