There is a limited number of paid parking spots, available first come, first served that will be accessible by presenting your UConn or UConn Health ID.

We are pleased to announce that UConn and UConn Health are joining together to provide a limited number of paid parking spots in a reserved lot (Knoll Lot) available for this event. Paid parking will be available on a first come, first served basis until the allotted amount has been reached. The fee to park will be \$20 once all the prepaid passes are exhausted, which you may pay at the lot.

In order to access Knoll Lot, you must follow the directions provided carefully. In addition, all employees must provide their employee ID. Please note, should you enter the stadium, you may be prevented from gaining access to Knoll Lot in a timely manner. Once you have entered the stadium via the main or east entrance, you will need to exit, which may be difficult to accommodate during pre-game hours.
